To take part in A DAY IN THE LIFE OF THE HUDSON RIVER 2013 and supporting workshops, please complete and return to Margie Turrin at mkt@ldeo.columbia.edu or by fax 845-365-8179. Registration deadline is 9/20/13!

A NOTE ABOUT DATA: During Day in the Life, you will be collecting data to submit to event organizers and share with other groups that take part. This is critical: Everyone shares and learns from the data and all of it is important, no matter what grade level collects it. We provide training, support, and equipment in the expectation that participants will send in their results. When that doesn't happen, we must reconsider whether to provide support in the future. Chasing after data is time consuming. We suggest that each group make a plan for collecting, recording and submitting data. Please contact us for suggestions on how to manage recording and reporting. Thank you!
