**MENTOR AGENDA**

Below is a highlight of the plan for the day, which begins in the Romano Building

8:15-8:30 AM LOBBY-Romano Hall	<b>Mentor Check In</b>
8:30 – 8:50 AM Romano Hall lower level	<b>Welcome to the Event</b> <b>-Introductions &amp; Day Plan</b> <b>-Introduction to Mentors &amp; Facilitators</b>
9:10 – 9:40 Various Maguire Hall Rooms	<b>Student Presentations of Local Projects</b> Each school team presents to mentors for feedback and discussion on their project plan. Students will be collecting feedback on the items the mentors found as <b>strengths</b> with their projects, as well as suggestions on <b>improvements</b> . We encourage the mentors to have a “light touch” as they suggest and offer feedback, allowing the students to be the drivers of the product. Your insights, thoughts and observations, however, are extremely valuable. We often find that posing questions assists the students in considering their plan more deeply, allowing them to come up with ways to improve them.
9:55 – 10:15 Ramano Hall lower level	<b>Snack Break &amp; Posters Displayed</b> Students posters and feedback forms will be posted for review during the day
10:20 - 10:40 Ramano Hall lower level	<b>Introductions to Collaborative Mapping Project</b> Students will receive background information on the IRG section of the old Pfizer property. We put into mixed school groups to work on rethinking this space.
10:50 – 12:00 PM Various Maguire Hall Rooms	<b>Collaborative Mapping Project</b> Students will work in mixed school teams to apply their understanding of revitalizing a community around the IRG property. Mentors provide feedback and guidance during the process.
