- 1. Think back to when you were 10 years old (5th grade), name a place in your neighborhood or community that was special or important to you.**
- 2. Use the back of this sheet to draw the place you were thinking about in question 1.**

3. What made this place unique or special to you?

4. Do you think this place has changed since then?

If yes, how?

5. Think about you at your current age, would you pick this place as special to you now, or would you pick somewhere different?

Do you think the place you just picked will still be important to you at age 35?

How about at age 65?

6. Do you feel it is important to keep this place in your community? Why?
