

# What More Can You Do?

Make A Commitment to Do More to Reduce  
Your Contribution to Climate Change. I will:

Walk, ride your bike,  
take the bus

When leaving the room  
I will turn off the lights!

Unplug! Play games,  
play outside, read

Turn off your computer  
when done

Take a 5 minute warm  
short shower, not fill up a  
hot bath

Turn down the heat at  
home and wear a sweater

Pack a lunch in a cloth  
bag and use refillable  
containers

Skip the dryer, hang dry  
your laundry

Talk to my Friends about  
what I do to help! Be an  
Example!

Reuse! Reduce!  
Recycle!
