Website: [http://www.earthworks-jobs.com/](http://www.earthworks-jobs.com/)

Contact:
Email: copy@earthworks-jobs.com.

To Advertise:
E-mail your advertisement to copy@earthworks-jobs.com. Ads are normally published within 2 hours of electronic receipt. Earthworks will e-mail you a cost quote for the publication of your ad. They publish ads from customers in over sixty different countries across many different industry, government, educational & non-profit sectors and therefore do not have a single rate card.

Other organizations that advertise on this website:
Too vast to be summarized! Almost 150,000 unique users every month. In a nutshell, most organizations that do anything pertaining to earth sciences, both US and non-US, advertise on this website. (*LDEO frequently advertises here*)
AWIS: Association for Women in Science

About: The Association for Women in Science is dedicated to achieving equity and full participation for women in science, mathematics, engineering and technology. AWIS has around 3,000 members in fields spanning the life and physical sciences, mathematics, social science, and engineering. Over 50% of AWIS members have doctorates in their respective fields, and hold positions at all levels of industry, academia, and government. AWIS came into existence in 1971 with the advent of Title IX.
