

Day in the Life of the Hudson River  
October 20, 2015 Other Observations

Sample Date	RM	NAME	TIME	OTHER OBSERVATIONS
10/20/15	Mohawk	Schoharie		1 bird and a dead vole
10/20/15	RM 154 PI	Peebles Island		1 bald eagle and seagulls
10/20/15	RM 153 GI	Green Island		Bald eagle soaring overhead, many gulls, few crows, pigeons, squirrel - too much garbage
10/20/15	RM 145	Albany Boat Basin		Little brown bird off path, Asian bittersweet vine (non-native) - Patroon Creek tributary enters the river, highway close to river. In the water there are leaves, sand and sticks.
10/20/15	RM 133	Schodack	10:15	Boat coming out of river via boat launch - Bridge Inspector
10/20/15	RM 124	Nutten Hook		Birds, water chestnut seeds, small shell bits
10/20/15	RM 118	Hudson		Water chestnut seeds, large rocks, crab parts (legs and claws), seagulls and ducks
10/20/15	RM 112	Dutchman's Ldg		Birds, ducks, seagulls, bald eagle
10/20/15	RM 100	Falling H2O		Bricks, spiders, water chestnut in the area, lots of logs and valissneria ("seaweed").
10/20/15	RM 97HS	Ulster Land.		Devil's heads, black walnut, seaweed, duckweed, bricks, birds, fish
10/20/15	RM 92 Nobels	Kingston		Ring billed gulls (counted 100), raven, lots of bits of brick - we are next to a non-functioning brick factory
10/20/15	RM 76 E (ES)	Wayras Park		Chestnut seeds, geese, seagulls
10/20/15	RM 76 E (HS)	Wayras Park		Brick, water chestnut seeds
10/20/15	RM 58 South	Kowawese		Devil head chestnut, birds, human impact, lumps of coal
10/20/15	RM 58 North	Kowawese		Eagle, caterpillar
10/20/15	RM 47	Popolopen Crk.		Turkey vultures, grey squirrels. The creek is intersected by a railroad. Also saw rocks, leaves, manicured hiking area, fallen trees, water chestnut seeds, shrubs.
10/20/15	Rm 45	Constitution marsh		Crows, wood ducks, dragonfly and other waterfowl
10/20/15	RM 41	Verplanck		8 ducks, 16 geese, crabs, sparrows, 10 ring-billed gulls and a couple of herring gulls, Virginia creeper, locust, sumac, burdock, bricks, feather, rocks, plastic, glass, wood, devil's dead seed pods for water chestnut

Day in the Life of the Hudson River  
 October 20, 2015 Other Observations

10/20/15	RM 39.5	George's Is		Three trains, 18 crows, sparrow, heron, geese, 4 gulls, 1 eagle, 1 blackbird
10/20/15	RM 36	Stony Pt. Marina		Wasps, crabs, seagulls, ducks, water chestnut seeds, shell pieces, fish carcass, sand and different sized rocks and lots of driftwood
10/20/15	RM 35W	Bowline		Birds (seagulls etc.), small broken brick pieces, pebbles, small rocks, large boulders, sand and moss - little vegetation
10/20/15	RM 32	Ossining		Bricks, shells, rocks, birds, insects and water chestnuts all on ground
10/20/15	RM 25 E MS	Irvington		Grasshoppers, turkey vultures, flies, ants, robins, seagulls, chipmonks, squirrels, Canadian geese, yellow jackets, redtail hawk, bees, house sparrows, peregrine falcon, pigeons, butterflies, moths.
10/20/15	RM 18 Bec	Beczak		Bald eagle flying over Palisades, flock of hawks circling above beach
10/20/15	Rm 17	St. Vincent		Grassy area, some places are overgrown. Storm water runoff from impervious surface, nearby sewage treatment plant, Canada geese, Brandt
10/20/15	HrIRM 13b	Sherman Cove		Seagulls, yellow leaves from autumn in the sample area
10/20/15	RM 9 (HS)	Pier 125		Wastewater treatment plant just north of pier, saw seagulls, pigeons and squirrels
10/20/15	BrxRM 8	BrxRM 8		Seagulls, Atlantic menhaden, cormorant, boatsman insects, dragonfly, mute swan, mussel shells
10/20/15	ERM 4.5 (HS)	Hunters		Seagulls, pigeons, plenty of birds but almost no butterflies, dragonflies or flying insects including bees, no animals
10/20/15	RM 3.2E	Pier 51		Buildings, pigeons, humans and boats. We observed a lot of plastic floating near the pier. Also saw a dead red-eared slider turtle which was a great teachable moment about caring for exotic pets and to never release them into the wild, especially to a saltwater environment when they are a freshwater species.
10/20/15	ERM 1E	BBC (Dumbo)		Waterfront has bricks, sand and groomed park.
10/20/15	ERM 1W	LESEC		Lots of seaweed on the rocks, and large pieces of wood tossed up. Lots of seagulls
10/20/15	RM -4.2 (HS)	Bay Ridge		Gulls flying around looking for food. Construction on way to pier.
