

ROCKLAND P.L.U.S.

PLANNING LAND USE WITH STUDENTS

Permission for Survey Completion & Use of Photography/Video

Your son/daughter is participating in Rockland P.L.U.S. 2020, a program that is a partnership of Keep Rockland Beautiful, Columbia University Lamont-Doherty Earth Observatory, Rockland Conservation and Service Corps, and the Rockland County Soil & Water Conservation District and Department of Economic Development and Tourism. We would like to have your student complete an anonymous pre and post assessment on the event. We would also like to use photographs from the program’s classroom workshops and the culminating symposium on Friday March 27th, 2020 for information and publicity for this program. These images and cumulative survey results may appear in presentations, newsletters, grant proposals and other publications, and websites. In order to collect survey results and photographs of youth we need parent or legal guardian permission.

Below is a permission form. Please sign and return it to your child’s teacher by our 2nd workshop. If you have any questions, please call Sonia Cairo, Keep Rockland Beautiful, 845-708-9164.
