**Planning Cards Cost Benefit Review**

- Many of the choices you select as important for your plan will NOT reflect choices that are being made by communities and builders today.
  - Why do you think this is?
  - Can your group identify ways that will improve our current process?
- For your plan complete a quick Cost Benefit Review, recording your considerations below. Every decision has a cost that must be weighed against the benefit. Costs are not always monetary, and sometimes even the true monetary cost can be hidden. Think about the social trade-offs of your choices and the potential partners and groups that can benefit. How can you gather their support? What groups might lose from your plan, and are there ways to adjust your plan to address this?
