

What More Can You Do?

Make A Commitment to Do More to Reduce
Your Contribution to Climate Change. I will:

Walk, ride your bike,
take the bus

When leaving the room
I will turn off the lights!

Unplug! Play games,
play outside, read

Turn off your computer
when done

Take a 5 minute warm
short shower, not fill up a
hot bath

Turn down the heat at
home and wear a sweater

Pack a lunch in a cloth
bag and use refillable
containers

Skip the dryer, hang dry
your laundry

Talk to my Friends about
what I do to help! Be an
Example!

Reuse! Reduce!
Recycle!
