Good afternoon, Mr. Kadko –

Pursuant to our conversation earlier today, I’ve set up a block of 25 hotel rooms with a check-in date of 8/3/15 and a check-out date of 8/9/15. The confirmation number for the block is 41206, and the block code is HEALY. The nightly room rate will be \$135 for single occupancy, and \$153 for double occupancy. This is our government/university rate, so the guests will just need to produce a form of identification at check-in to receive the rate. We will hold the block open for reservations until 7/20/15, after which time the rooms will be released for general sale. Your group will still be able to make reservations at the government rate if rooms are available. Reservations can be made by calling the hotel at (907) 581-3844, or by e-mailing our reservations staff at: GrandAleutian.Reservations@UniSea.com.

Please don’t hesitate to contact me should you have any questions or require additional information.

Thanks much, Gina Walker
