Snow/Ice Environments Clothing

Checklist

Upper body layers (4 to 5)
- Wicking layer
- 1 to 2 insulating layers
- Insulated jacket
- Parka (Large tyvek suits)

Lower body layers
- Wicking layer
- Insulating layer
- Insulated pants (If your insulating pants and jacket can also be wind proofed, that would be the best)

Specialized Layers
- Wind jacket
- Wind pants

Additional Necessities
- Warm hat
- Sun hat
- Neck-warmers (A couple of neck warmers...they are great to wear as hats when working to vent excess heat if the day is not too cold.)
- Glacier glasses
- Goggles
- Sunscreen
- Liner gloves
- Gloves (Different kinds of gloves, and a way to clip your mittens to your jacket)
- Mittens
- Socks
- Insulated boots (White bunny boots are the best)
- Gaiters
- Booties (if camping)

Items to carry with you
- Lighter
- Knife
- Compass (w/mirror)
- Day pack for extra layers, food, water, etc.
