

# Ground Transportation The Kyoto Grand Hotel and Gardens to University of Southern California (Room 107, Hedco Neurosciences Building)

Meeting Place: Lobby of the Kyoto Grand Hotel and Gardens

Time: 7:45 AM each morning

Fare: \$12.00 - \$18.00 each way

The concierge will arrange for 4-5 minivan taxis to go to USC. One person in each cab should pick up the fare (probably 12-18 dollars) and **keep the receipt for reimbursement.**

## Directions/Instructions

Ask the driver to take you to **Campus Entrance Gate 1**, which is on **Exposition Boulevard and Watt Way**. They will probably want to let you off at Gate 3, which is closer to the intersection of Exposition and Figueroa, but this is a long trek from the meeting. Go down Watt Way to a tall brick building on your left - the **Hedco Neurosciences Building** (the driver will have to ask the kiosk attendant to raise a traffic guard). If you get to the athletic field, you have gone too far (though you may catch a glimpse of Pete Carroll). The main entrance to the building is on the NW corner (i.e. the rear right corner from Watt Way)

The building is shown on the following Map <http://web-app.usc.edu/maps/>
