

2016 Polar Prediction Workshop

4-6 May 2016

Monell Auditorium

Lamont-Doherty Earth Observatory, Columbia University
Palisades, New York

Deadline for registration: Friday, 15 April 2016

<https://www.arcus.org/sipn/meetings/workshops/may-2016>

Programme

1. Subseasonal to Seasonal Forecasts
2. Predictability
3. Process Studies
4. Statistical Modeling & Methodology
5. Antarctic Studies

Organizing Committee

Xiaojun Yuan, Lamont-Doherty Earth Observatory
Cecilia Bitz, University of Washington
Ed Hawkins, University of Reading, United Kingdom
Muying Wang, University of Washington
Helge Goessling, Alfred Wegener Institute, Germany

Meeting Sponsors

The Climate Center of Lamont-Doherty Earth Observatory and GISS

Sea Ice Prediction Network

Polar Climate Predictability Initiative

World Climate Research Programme (WCRP)

World Climate Research Programme (WWRP)

World Climate Research Programme-Climate and Cryosphere (WCRP-CLIC)
